Chestnut Hills Community Association, Inc.

Section 1. Organization. There has been organized in connection with the development of Chestnut Hills, and its various sections, an incorporated not-for-profit association known as Chestnut Hills Community Association, Inc. (the "Association").

Section 2. Membership and Voting Rights. Every Owner of a Lot shall be a member of the Association, together with all other lot owners in the Subdivision. Membership shall be appurtenant to and may not be separated from ownership of any Lot which is subject to assessment.

Section 3. Classes of Membership. The Association shall have two (2) classes of voting membership:

Class A. Class A members shall be all Owners, together with all other lot owners in the Subdivision exclusive of the Developer. Owners shall be entitled to one (1) vote for each Lot owned.

Class B. The Class B member(s) shall be the Developer, and shall be entitled to three (3) votes for each Lot owned in Chestnut Hills Villas and for each lot owned in the Subdivision. The Class B membership shall cease and be converted to Class A membership on the happening of either of the following events, whichever occurs earlier:

- (a) when title to all lots in all sections of the Subdivision has been conveyed, or
- (b) on December 31, 2008.

Section 4. Membership Transfer. Membership in the Association will transfer from the Developer or its successor in interest to the Owner upon delivery of the Deed to Owner's Lot.

Section 5. Continuing Memberships. The Owner of any Lot shall continue to be a member of the Association so long as such Owner continues to be the Owner of a Lot for the purpose herein mentioned. Membership shall pass with the transfer of title to the Lot.

Section 6. Transfer of Membership Rights and Privileges in the Association. Each Owner, and in lieu thereof, (and with the written consent of such Owner to the Association) each lessee of a Lot shall be a member of the Association and have the right to the Owner's vote and privileges. Membership, where assigned to a lessee, will pass with the lease, except if the Owner withdraws his consent in writing to the Association. The Owner may withdraw his membership assignment to any lessee in his discretion by issuing a sixty (60) day notice in writing to the Association. No assignment of membership shall relieve an Owner of the Lot from the obligation to pay any assessment authorized by these Restrictions.

Section 7. Creation of the Lien and Personal Obligation of Assessments. Each Owner of any Lot, excepting Developer, by acceptance of a deed therefor, whether or not it shall be so expressed in such deed, is deemed to covenant and agree to pay to the Association: (1) annual assessments; (2) special assessments; (3) Club assessment (if applicable); and (4) Tax Recoupment Assessment. Such assessments shall be established and collected as hereinafter provided. The annual, special, Club and Tax Recoupment assessments, together with interest, costs, and reasonable attorney's fees, shall be a charge and a continuing lien upon the Lot against which each such assessment is made. Each such assessment, together with interest, costs, and reasonable attorney's fees shall also be the personal obligation of the person who was the Owner of such Lot at the time when the assessment fell due. The personal obligation for delinquent assessments shall not pass to an Owner's successors in title unless expressly assumed by them.

Section 8. Purpose of Annual Assessments. The annual assessments levied by the Association shall be used exclusively to promote the recreation, health, and welfare of the owners in all sections of Chestnut Hills, including, but not limited to, the improvement and maintenance of the Common Area, maintenance of street lighting, maintenance of the sprinkling system situated on the Common Area, storm water detention basins, outlet pipes and water level control structures, and removal of snow from the streets.

Section 9. Maximum Annual Assessment. Until January 1 of the year immediately following the conveyance of the first Lot to an Owner, the maximum annual assessment shall be One Hundred Ninety-five and No/100-Dollars (\$195.00) per Lot.

(a) From and after January 1 of the year immediately following the conveyance of the first Lot to an Owner, the maximum annual assessment may not be increased each year more than eight percent (8%) above the maximum annual assessment for the prior year, without the vote or written assent of fifty-one percent (51%) of each class of members of the Association.

(b) The Board of Directors of the Association may fix the annual assessment at an amount not in excess of the maximum without the vote or written assent of fifty-one percent (51%) of each class of members of the Association.

Section 10. Special Assessments. In addition to the annual assessment authorized above, the Association may levy, in any assessment year, a special assessment applicable to that year only for the purpose of defraying, in whole or in part, (1) the cost of any construction, repair or replacement of a capital improvement upon the Common Area, including fixtures and personal property related thereto; (2) any budget shortfall; or (3) emergency need of the Association, provided that any such assessment shall have the vote or written assent of fifty-one percent (51%) of each class of members of the Association.

Section 11. Notice and Quorum for Any Action Authorized Under Section 9 and 10. Any action authorized under Sections 9 and 10 shall be taken at a meeting called for that purpose, written notice of which shall be sent to all members not less than thirty (30) days nor more than sixty (60) days in advance of the meeting. If the proposed action is favored by a majority of the votes cast at such meeting, but such vote is less than the requisite fifty-one percent (51%) of each class of members, members who were not present in person or by proxy may give their assent in writing, providing the same is obtained by the appropriate officers of the Association not later than thirty (30) days from the date of such meeting.

Section 12. Uniform Rate of Assessment. Both annual and special assessments must be fixed at a uniform rate for all Lots and may be collected on a monthly or yearly basis as the Board of Directors may determine from time to time.

Section 13. Date of Commencement of Annual or Club Assessments: Due Date. The annual assessments provided for herein shall commence as to all Lots (excepting Lots owned by the Developer) on the date of the close of escrow on the sale of the Lot after the original recording of these Restrictions with the Recorder of Allen County. The Club Assessment, as hereafter defined, shall be assessed initially after an Occupancy Permit has been secured and the unit has not been declared a model or a spec unit by the builder.

The first annual assessment shall be adjusted according to the number of months remaining in the calendar year. The Board of Directors of the Association shall fix the amount of the annual assessment against each Lot for each annual assessment period. Written notice of the annual assessment shall be sent to every Owner subject thereto. The due date shall be established by the Board of Directors of the Association. The Association shall, upon demand, and for a reasonable charge, furnish a certificate signed by an officer of the Association setting forth whether the assessments on a specified Lot have been paid.

Section 14. Club Membership, Operating Fund Assessment. The Developer plans to construct a bathhouse, swimming pool and tennis courts within Chestnut Hills, which facilities will be owned and operated by the Association, and which will be available for use by members of the Association. Upon the substantial completion of the bathhouse, swimming pool and tennis courts as determined by the Board of Directors of the Association, a Club Operating Fund will commence:

A. All Villaminium Lot Owners in Chestnut Hills Villas (all sections) shall be entitled, at their option, to membership and usage of the bathhouse, swimming pool, and tennis courts, and shall pay as a part of such membership the same Club Assessment as the Single-Family Lot Owner Members. Such Club Assessment shall bear interest, shall become a lien upon the Lot against which it is assessed, shall become the personal obligation of the Owner of such Lot, and may be collected in accordance with the provisions of this Article.

B. All Single-Family Lot Owners within Chestnut Hills, except those owned by the Developer and those Villaminium Lot owners who chose not to be a member pursuant to (A) above, shall be charged a Club Assessment (in addition to the Annual Assessments and Special Assessments provided in Sections 9 and 10, respectively), with respect to the operation and maintenance of said facilities. This Club Assessment will be assessed against each lot owner irrespective of whether a Dwelling Unit is located thereon. Such Club Assessment shall bear interest, shall become a lien upon the Lot against which it is assessed, shall become the personal obligation of the owner of such lot, and may be collected in accordance with the provisions of this Article.

Except for the first Club Assessment, the due date shall be established by the Board of Directors of the Association. All Club Assessments shall be determined by and paid to the Association, and the Association shall be responsible for carrying out the purposes of such Club Assessments. All members shall be subject to all rules and regulations governing Membership and use as may be established by the Association from time to time.

The amount of the annual Club Assessment shall be established as follows:

(i) Commencing prior to the substantial completion of the bathhouse, swimming pool and tennis courts, the Board of Directors of the

Association shall establish a budget for the fiscal year and shall determine therefrom the annual Club Assessment for each lot required to meet said budget. Such budget and Club Assessment for each fiscal year shall be established by the Board of Directors. The Board of Director shall mail to all Association members a copy of a proposed budget and notice of the proposed Club Assessment.

(ii) Said Club Operating Fund shall be used exclusively for the purpose of operating and maintaining said bathhouse, tennis courts and swimming pool as well as all recreational facilities therein or used in connection therewith, including but not limited to, repair, maintenance, cost of labor, equipment, supervision, taxes , insurance, and all other things necessary or desirable in the opinion of the Board of Directors of the Association.

Section 15. Tax Recoupment Assessments. In addition to all other assessments provided for in this Article, the Association may levy in any assessment year, an assessment ("Tax Recoupment Assessment") applicable to that year only for the purpose of defraying, in whole or in part, any cost or expense incurred by the Association in the form of a tax, and/or penalty and/or interest on a tax imposed upon, assumed by or assessed against the Association or its properties, and arising out of or in any way related to the acceptance of title to, the ownership of and/or operation or maintenance of any plant or equipment (including utility lines, lift stations and other property) for the transmission, delivery or furnishing of water, or for the collection, transmission and disposal of liquid and solid waste, and sewage, and/or the ownership of any real estate or easements or other rights with respect to real estate owned and/or possessed in connection with such plant or equipment.

Section 16. Effect of Nonpayment of Assessments: Remedies of the Association. Any assessment (Annual, Special, Club or Tax Recoupment) not paid within thirty (30) days after the due date shall bear interest from the due date at the rate of ten percent (10%) per annum. The Association may bring an action at law against the Owner personally obligated to pay the same, or foreclose the lien against the Lot. In any successful action, the Association shall be entitled to recover all of its costs and expenses, including attorney's fees. No Owner may waive or otherwise escape liability for the assessments provided for herein by non-use of the Common Area, the Club facilities, or abandonment of the Owner's Lot.

Section 17. Subordination of the Lien to Mortgages. The lien of the assessments shall be subordinate to the lien of any first mortgage. Sale or transfer of any Lot shall not affect the assessment lien. However, the sale or transfer of any Lot pursuant to mortgage foreclosure or any proceedings in lieu thereof, shall extinguish the lien for such assessments as to payments which became due prior to such sale or transfer. No sale or transfer shall relieve such Lot from liability for any assessments thereafter becoming due or from the lien thereof.

Such budget and assessment for each such calendar year shall be established by the Board of Directors of the Villaminium Association. The Board of Directors shall mail to all Villaminium Association members a copy of said budget and notice of the ensuing year's assessment.

(b) The amount of the annual maintenance assessment set forth by the Board of Directors of the Villaminium Association for any such calendar year may be changed pursuant to the By-Laws of the "Villaminium Association".

- (a) The date of issuance of a certificate of occupancy for a completed dwelling on said Lot; or
- (b) The date of payment of the final construction draw with respect to a dwelling constructed on said Lot, disregarding any monies retained in escrow from such final draw.

The first annual maintenance assessment shall be adjusted according to the number of days remaining in the year. The due dates of the annual maintenance assessment shall be established by the Board of Directors of the Villaminium Association. However, the sale or transfer of any Lot pursuant to mortgage foreclosure or any proceedings in lieu thereof, shall extinguish the lien of such assessment as to payments which become due prior to such sale or transfer. No sale or transfer shall relieve such Lot from liability for any assessments thereafter becoming due or from the lien thereof.

ARTICLE VI

Maintenance of Building Exteriors

Section 1. Building Exteriors, Landscaping and General Maintenance. The Villaminium Association will maintain the roof and exterior portion of each Dwelling Unit in good condition and repair, including painting, staining, repair and replacement of wood siding as necessary, removal of snow from driveways and sidewalks, and maintain the lawn and landscaping on each Lot. The Villaminium Association will maintain the lawn sprinkling system situated on the Lots. The frequency and manner of performance of such maintenance shall be determined solely by the Board of Directors of the Villaminium Association. The Villaminium Association shall not be responsible for the repair or maintenance of decks and screened-in porches, any concrete on a Lot, or yard lights and other exterior lights, including replacement of bulbs, nor for window washing and glass replacement. The Board of Directors of the Villaminium Association may, at its option by appropriate resolution, transfer to each Lot Owner the maintenance responsibility for that portion of the lawn and/or landscaping on each Lot which was not initially installed or planted by the Developer. Each Lot Owner shall be permitted to perform or cause to be performed at the Owner's sole expense, maintenance or repairs on the exterior of any dwelling on his Lot which would otherwise fall within the maintenance responsibility of the Villaminium Association hereunder, subject to prior written approval from the Architectural Control Committee.

Section 2. Other Maintenance. Except to the extent of the Villaminium Association's responsibility for maintenance and repair as above provided, each Owner shall at his sole cost and expense maintain and repair his Lot and the improvements situated thereon, keeping the same in good condition and repair, including those items specifically excluded from the Villaminium Association's responsibilities and any other maintenance and repair responsibilities not expressly included among such responsibilities, as set forth above. In the event any Owner shall fail to maintain and repair his Lot and the improvements thereon as required hereunder, the Villaminium Association, in addition to all other remedies available to it hereunder or by law and without waiving any of said alternative remedies, shall have the right, through its agents and employees to enter upon said Lot and to repair, maintain and restore the Lot and the exterior of the dwelling units and any other improvements erected thereon; and each Owner (by acceptance of a Deed for his Lot) hereby covenants and agrees to repay to the Villaminium Association the cost

thereof immediately upon demand. Such costs incurred and demanded by the Villaminium Association, together with interest, costs and reasonable attorney's fees, shall have the same status as both a continuing lien on the Lot and improvements and the personal obligation of the Owner as an assessment and the Association shall have the same remedies as made under Article V, Section 11 hereof, and the failure of any such Owner to pay the same shall carry with it the same consequences as a failure to pay such an assessment when due.

Section 3. Maintenance Easements. The Villaminium Association and the Owner of any Lot whose dwelling is constructed up to or within nine (9) feet of an interior Lot line shall have an access easement over a portion of the adjacent Lot which shall be five (5) feet in width measured from said Lot line, for the entire length of said Lot line separating the two Lots, for purposes of maintaining, replacing, and repairing the exterior of the dwellings so located. This access easement shall extend to the agents, employees, and independent contractors of either the Villaminium Association, the Owner, or both. Any damage to an adjacent Lot or landscaping on an adjacent Lot shall be repaired at the expense of the Villaminium Association, the Owner, or their respective agents, employees or independent contractors utilizing this easement.

Each Owner shall also have a permanent easement permitting roof structure which overhang and encroach upon the adjoining servient Lot, provided that construction of such roof structure is permitted and approved as elsewhere herein provided.

Section 4. Utility Easements. Easements are hereby expressly reserved and dedicated with dimension, boundaries, and locations as designated on the plat for the installation and maintenance of public utilities (including, but not limited to water, gas, telephone, electricity, sanitary sewer, cable television, storm drainage facilities, and any other utilities of a public or quasi-public nature).

Any utility company and Developer, their successors and assigns, will have the right to enter upon said easements for any lawful purpose. All easements shall be kept free at all times of permanent structure except improvements installed by Developer, or an authorized utility and removal of any obstruction by a utility company shall in no way obligate the company to restore the obstruction to its original form. The utility will restore any improvement installed by Developer or other authorized utility.

The utility operating the sewer lines and sewage disposal facilities of said section shall have jurisdiction over the installation of all sewer connections and the same shall be installed to property lines of each Lot by the Developer or its successor in interest.

ARTICLE VII

General Provisions

Section 1. Residential Purposes. No Lot shall be used except for residential purposes.
