

Hello Chestnut Hills Resident,

We hope this letter finds you and your family safe and in good health. All of us at the Chestnut Hills Pool are looking forward to seeing you again soon!

Governor Holcomb announced on May 1st that if the metrics continue to improve he plans to allow community swimming pools to open Sunday, May 24th, and to the extent opening and operation is consistent with guidance provided by the Centers for Disease Control and Prevention (“CDC”) and Allen County Board of Health (“BOH”). Our compliance with those guidelines will likely result in you seeing some changes to keep everyone safe, including social distancing and capacity limits. We appreciate in advance and know that we can count on everyone to follow the established guidelines in order keep the pool open.

The current plan, pending CDC and BOH guidance, is to open the pool **Sunday, May 24th at 11 am**. At this time, we are currently evaluating whether or not to admit residents guests at the pool until further notice. Please follow our Chestnut Hills Pool and Tennis Facebook page to stay up to date on the procedures and practices that will be implemented to ensure everyone’s safety including our lifeguards. This page will also be a good future reference for when the pool opens late, closes early or closes for the day due to weather.

You will recognize some familiar faces this summer. Paige Eakright and Trever Lipp will return as co-assistant managers. They are outstanding, and we appreciate your help in cooperating with their (or any guard’s) requests so they can do their jobs effectively.

Villa owners are eligible to purchase a pool membership. Please expect approximately a 72-hour turn around to process your membership Monday- Friday. Villa owners that purchase a membership must be present when bringing a guest, children or grandchildren to the pool. Please contact tng@newcombgroup.us for more information.

This year we are excited to announce we will be offering one hour of lap swimming to residents on Sunday mornings from 10 to 11am.

Pool Hours

- Sunday 10 am -11am (lap swimming only) 11am – 8pm open swim;
- Monday thru Saturday 11am – 8pm

Below are a few other quick reminders so we can have a fun and safe summer:

- No glass is allowed at the pool pursuant to BOH regulations.
- If a resident is 12 years or older, they may come to the pool *without* an adult. Those under 12 must be accompanied by an adult (over 18 years old), however.
- Finally, there are numerous lifeguards qualified to give private swim lessons. You may arrange for lessons by emailing chestnuthillspoolmanager@gmail.com.

Sincerely,

Erica Paul

Chestnut Hills Community Pool Manager
