LIMITATIONS, EASEMENTS AND APPROVALS APPENDED TO
AND MADE A PART OF THE DEDICATION AND PLAT OF
COPPER HILL, SECTION I

The Aboite Corporation, an Indiana corporation, by Paul W. Seitz, its President, and Joseph L. Zehr, its Secretary, hereby declares that it is the Owner of the real estate shown and described in this plat and does hereby lay off, plat and subdivide said real estate in accordance with the information shown on said plat, being the certified plat appended hereto and incorporated herein. The subdivision shall be known and designated as COPPER HILL, SECTION I, a Subdivision in Aboite Township, Allen County, Indiana.

The lots are numbered from 1 through 129 inclusive, and all dimensions are shown in feet and decimals of a foot on the plat. All street rights-of-way and walkway easements specifically shown or described are hereby expressly dedicated to public use for the usual and intended purposes. Utility easements are likewise reserved for their usual and intended purposes.

PREFACE

COPPER HILL, SECTION I, is a portion of a tract of real estate which will ultimately be subdivided into approximately 298 residential lots, all to be included and known as COPPER HILL by various numerical sections. Simultaneously with the recordation of the Plat of COPPER HILL, SECTION I, and the Protective Restrictions and Covenants, there has been recorded Articles of Incorporation of COPPER HILL COMMUNITY ASSOCIATION, INC., it being platator's intention that each owner of a lot in any section of COPPER HILL shall become a member of said Community Association and shall be bound by its Articles of Incorporation and By-Laws.

The various sections of COPPER HILL are in turn a portion of a larger tract of real estate in Aboite Township, Allen County, Indiana, which has been given the name COVENTRY. Various tracts comprising COVENTRY shall, in addition to COPPER HILL be platted from time to time into Subdivision similar in size to COPPER HILL and at the time of recordation of the original plats thereof, Articles of Incorporation for separate Community Associations for said Subdivisions shall likewise be recorded and the owners of lots contained therein bound by the By-Laws and provisions thereof. When all of COVENTRY shall have been subdivided for various uses, each particular Subdivision shall be governed by the rules and regulations of its own Community Association under the ultimate aegis of COVENTRY COMMUNITY ASSOCIATION, INC. of which each Subdivision's Community Association shall be deemed a division and in which each said Subdivision's Community Association shall be represented. COVENTRY COMMUNITY ASSOCIATION, INC. shall have final authority to act with respect to specified matters associated with the efficient supervision of maintenance activities in all of COVENTRY, together with that authority conferred upon it by its By-Laws and the acts of its Board of Directors.

In addition to maintaining the Common Areas within the confines of each specifically named Subdivision, such as COPPER HILL and all of its various sections, it shall be the obligation of the owners of lots within each such named Subdivision to make provision for the maintenance of common impoundment basins specifically located in COVENTRY. All Subdivisions, such as COPPER HILL in its various sections, whose surface drainage waters lie within the same watershed resulting in ultimate surface drainage into the same common impoundment basin, are and shall be required to pay that portion of the cost of maintaining said common impoundment basin as is represented by that Subdivision's percentage of all of the runoff of surface waters from all Subdivisions located within COVENTRY into said common impoundment basin.

78

2 9 7 6 5

Until such time as that portion of COVENTRY in which is included the watershed in which COPPER HILL and its various sections is located has been subdivided and the various subdivided parcels sold, The Aboite Corporation, as plator, shall bear its pro rata portion of the expense of maintenance of said common impoundment basins allocated to portions of COVENTRY unsubdivided or otherwise unsold. The obligation of The Aboite Corporation to bear such pro rata or allocated portion of said expense shall terminate upon the platting of any Subdivision of any remaining portions of COVENTRY, disposition of any such portion to a thirty party of July 1, 1983, whichever shall first occur.

It is the plator's intent that all of the regulations with respect to the use and occupancy of the various portions of COVENTRY be designated to accommodate the desires of the occupants of the various portions of COVENTRY from time to time, to preserve property values, and to be flexible enough to meet specific needs, including the need to raise funds. Accordingly, the Preface and its statements shall be deemed a covenant of equal force and effect as all others herein set forth.

Section 5. Notice and Quorum For Any Action Authorized Under Sections 3 and 4. Any action authorized under Sections 3 or 4 shall be taken at a meeting called for that purpose, written notice of which shall be sent to all members not less than 30 days nor more than 60 days in advance of the meeting.
