## Newsletter

**March 2026**

**Happy St. Patrick's Day – Celebrating Women's History Month – Spring Forward!!**

### **LOB Lunchtime Listen –**

We continue this regular monthly gathering at the clubhouse, the second Saturday of each month. This will allow us to hear any concerns, thoughts, ideas you may have prior to our monthly Board Meeting held on the third Thursday each month.

**This month's gathering will start at 12:00 noon on Saturday, March 14, 2026.** Someone from your Board will be present for at least one hour. Depending upon the number of residents who choose to participate, the gathering will last as long as necessary or whatever might be mutually agreed to. There will be no specific agenda. This is intended to be informal and to provide a regular forum to LISTEN to your concerns and any ideas you may have to help make LOB a truly exceptional community. We are looking forward to meeting with you. We see this as an opportunity to get to know our neighbors better and make us aware of your concerns, thoughts and ideas.

### **Coyote Awareness -**

We have had several reports of Coyote sightings in the community since the first of the year. With that in mind, we would encourage all residents to be mindful when walking their dogs and when walking themselves. We would also like to point out that Coyotes do play an important part of our ecosystem and can be helpful in deterring geese from nesting. Included with this month's newsletter is a separate attachment regarding Coyotes from the DNR.

### **Speaking of Geese -**

The Goose Patrol is getting ready to start activities (sighting nests & oiling eggs) and they could use some additional "spotters" and "oilers". We do adhere to DNR guidelines for this process. If anyone is interested in volunteering for this activity, please contact Kyle at TNG – [kyle@newcombgroup.us](mailto:kyle@newcombgroup.us) or 232.3942 ext. 4. A separate attachment regarding Geese is also attached to this newsletter.

### **Miscellaneous Items on the Board's Agenda –**

- **2<sup>nd</sup> quarter dues statements will be issued soon. Please be aware that the fees associated for late payments have changed**
- **Now that we have hopefully seen the last snow fall, the Grounds Committee has begun meeting with our vendors to discuss Spring activities including landscaping, irrigation, etc.**
- **We have begun the conversation with TNG about replacing mailboxes on Cutter Cove and Neptune's Crossing and repairing the damaged box on Clipper Cove**
- **Mike Majewski is putting the final touches on the Neighborhood Improvement Grant which is due by March 13**
- **The spot lights were replaced/repared on the island signs at both entrances at the end of February**

### **LOB March Community Calendar –**

March 14 – Luncheon Listen at the Clubhouse – Noon

March 19 – Regular Board Meeting at the Clubhouse – 5 pm

**THINK SPRING!!**
